**AWARD
OCCUPATIONAL
HEALTH AND SAFETY**

1. Short presentation of the company or the organisation and the activities (or attach leaflet).

2. Name of the project

3. Description of the particularly innovative measure or product in terms of occupational health, safety and/or well-being: description, origin, employees' involvement, development phase, production and/or implementation phase.

**AWARD
OCCUPATIONAL
HEALTH AND SAFETY**

- 4.** Description of the results obtained and of the efficiency (gains/costs) of the new measure or product, including details of how the innovation has reduced risk or improved occupational health, safety and/or well-being.

- 5.** Annexes and additional information. Do not hesitate to complete the application form with documents, presentations, photos, drawings, videos or samples. Please number all attached files.

AWARD OCCUPATIONAL HEALTH AND SAFETY

JURY AND COMMUNICATION

A jury will select the winners. The jury's decision cannot be appealed. The applicant will indicate the existence of industrial property rights or patents in the application form. The applicant agrees to their contribution being published. Furthermore, the applicant declares that the documents, presentations, photos, drawings, videos, or samples attached to the application form are free of third-party rights and can be used by the organisers for communication purposes.
